EnergyPLAN Newsletter no. 18

March 2019

Dear colleague and EnergyPLAN user,

You receive this e-mail because you have once registered as a user of the EnergyPLAN computer model. We issue newsletters once or twice a year.

If you do not wish to receive future newsletters, please send an e-mail to energyplanmodel@gmail.com.

Sign up for EnergyPLAN PhD course in May 2019

Do you want to know more about how to apply EnergyPLAN to your work?

On **6-8 May 2019** and **20-22 May 2019**, Aalborg University hosts its annual EnergyPLAN PhD course. The course has been conducted every year since 2005 with great success. It gives an introduction to advanced energy system analysis using the EnergyPLAN computer tool and model.

The course is conducted as a combination of lectures and computer workshops of a total of 5 days (40 hours) and assignments of a total of 6-7 days (52 hours) and has a workload of 3 ECTS.

The deadline for registration is **15 April 2019**.

5th International Conference on Smart Energy Systems

It's time to mark your calendars! The 5th International Conference on Smart Energy Systems takes place on **10-11 September 2019** in beautiful Copenhagen. This year, the conference has been expanded to include 4th Generation District Heating as well as Electrification, Electrofuels and Energy Efficiency.

The venue, Langelinie Pavillon, is next to the famous Little Mermaid and close to the iconic Nyhavn Canal. Participants will also enjoy a conference dinner at Tivoli.
